

Dance Company Auditions

Centennial Middle School

Dance Company, which is open to both 7th and 8th graders, is a full year performing dance class where students are serious about their dance but want to have fun at the same time. Students will have the opportunity to choreograph, perform, and develop advanced technical skills. Dance styles include contemporary, lyrical, jazz, and hip hop. Auditions for Dance Company will occur over two days. The first day is an audition clinic where students will receive an audition packet and be taught choreography for the actual audition, which will occur on March 19th. Details can be found below:
