If your child needs a ski or snowboard rental, check the equipment rental box. Helmets are recommended but not required.
9. Fill out your name, phone number, and email address in the contact section. This is the information we use as your child's emergency contact so please fill it out completely!
10. Fill in the payment section with your card information and press "Complete your booking."
11. You should get a confirmation email with links to waivers that must be signed in order to participate.
12. For online registrations questions contact Sundance Ski School Coordinator Haley Kalt
